## Letter From Labor Families Supporting the “American Jobs Plan”

June 29th, 2021

The Honorable Nancy Pelosi  
Speaker of the House  
U.S. House of Representatives  
U.S. Capitol, H-232  
Washington, D.C. 20515

The Honorable Charles Schumer  
Majority Leader  
U.S. Senate  
U.S. Capitol, S-230  
Washington, D.C. 20510

**Dear Speaker Pelosi and Majority Leader Schumer,**

American unions built the middle class in this country. We should know. We come from union households and have experienced firsthand the benefits of family-supporting wages and benefits.

That’s why Congress must pass the American Jobs Plan. If we want to solve the chronic problems of wealth inequality and economic insecurity -- while also addressing climate change -- we need to restore the power and breadth of our unions.

The \$2.3 trillion American Jobs Plan, proposed by President Biden, would do just that. It calls for repairing our ailing roads and bridges and other infrastructure while dramatically expanding wind and solar power. It explicitly calls for passage of the Protecting the Right to Organize (PRO) Act – a bill prized by organized labor for decades. The final result will be millions of new, family-sustaining jobs.

The American Jobs Plan will clean our air and water while putting more people to work -- with the ability for workers to collectively bargain. Congress should pass this bill immediately.

Please accept this letter and the attached signatures from labor families from across the country. We strongly urge you to immediately pass the American Jobs Plan this year.

**Sincerely, the undersigned:**
